SUMMARY

Hi, my name is Kin. I am a Filipino. I want to work in the IT industry. For my college at Bath Spa University, I took the course Creative Computing. This course allows you to take jobs like full stack web development, software engineering and many more jobs that are related to computer technology. I have studied in University of Bolton, National Diploma in engineering as well but I discontinued. For my secondary education, at Wolsey Hall Oxford, I have taken the subjects English, Geography, ICT, Mathematics and Physics, I have finished taking my IGCSE, at Dubai World Trade Centre, I have finished Year 9, 10 and 11, homeschooling. I have also studied at Pristine Private School and have finished Year 7 and Year 8. I will be a graduating student this coming August.
